**WEDDING
BROCHURE 2021.**

**SMOKEHOUSE.
BBQ.
HOG ROAST.**

Weddings

You'll only do this once and you probably don't know what to expect. That's fine. At Hungry Hog BBQ we have all the pieces to the event puzzle so you don't need to worry about a thing. We will guide you and help you make the right choices and in the process make it the enjoyable and exciting experience it should be.

OUR STAFF.

It is impossible to measure their importance. Our front of house staff are professional, friendly, polite, attentive, passionate and enthusiastic. We still have the same core team today as we did when the company was founded back in 2015.

FORMAL OR INFORMAL

We can offer both styles of service from our 3 course gourmet menu to our platter 'family sharing' menu. You can either have our food served buffet style or we can offer a platter service on all of our menus.

CROCKERY & CUTLERY.

We can supply you with crockery & cutlery that we hire on your behalf and take away dirty so you don't have to worry about it. We use classic ceramic plates, the same as the image to the left.

“

I have nothing but wonderful things to say about the service! Chris and the team were lovely and professional, serving canapés, a barbecue and cheese boards to our guests. The food was so good.

A romantic photograph of a bride and groom in a forest. The bride is wearing a white lace wedding dress and is laughing joyfully. The groom is wearing a blue suit with a yellow boutonniere and is kissing her on the cheek. They are standing on a dirt path surrounded by tall trees and green foliage. Overlaid on the left side of the image is the text 'Sample Wedding Packages' in a large, white, elegant script font.

Chris and his team catered for our wedding. Everything was 5 star, the food, the staff, the presentation. Nothing was too much trouble and carried out cheerfully. I was really impressed
